WHAT WE BELIEVE

—**We believe** the Bible to be the inspired, the only infallible, authoritative Word of God.

—**We believe** that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

—**We believe** in the deity of our Lord Jesus Christ, in His virgin birth according to the Scriptures, in His sinless life, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

—**We believe** that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.

—**We believe** in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.

—**We believe** in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of eternal separation from God (or damnation).

We want to take a moment to honor and acknowledge Barbara McGraw for her years of faithful service to the Lord at HEART Prison Ministries. We pray the Lord will bless her richly in her continuing ministries.

All in all, 2009 has been a year filled with exciting advancements for HEART, as well as the Kingdom. We could not have done it without your generous support and faithful prayers. We look forward to several significant developments coming in 2010. Our desire in 2010 is to enlist businessmen, who share our vision, to cover all our overhead expenses, enabling all other donations to be used exclusively for services to prisoners. We are looking forward to the maturing of several relationships with other ministries with whom God has paired us. We look forward to all of our materials being online for free use by prison chaplains and web visitors. Our plans are for all our teachings to be available in printed form for those preferring that media. We anticipate being able to resume distribution of our quarterly newsletter to prisoners and supporters. We also earnestly desire to initiate a fathering/mentoring program for men in prison, that family relationships might be restored and generational curses broken off at the root.

How you can pray for us: Pray for the items mentioned in the previous paragraph. Pray with us that God will start a mighty revival behind prison bars, that they might become institutions of spiritual regeneration. Join us as we pray for our nation and our world, that the Gospel will reach every nation. **"The earnest prayer of a righteous man has great power and wonderful results"** (James 5:16). We covet your prayers and appreciate them more than you know.

Thank you for all you do!

Respectfully submitted,

Jeff L. Gay

Lynne Valle, a Christian freelance writer for the Examiner Online proudly drives the Heart car to church events where she represents our ministry as she writes articles reporting the move of the Holy Spirit in the Kansas City area. Lynne has also given HEART significant publicity online with special

articles highlighting what HEART does behind bars with the prisoners, Changing Lives...One Bible at a Time. Lynne's articles can be accessed through the home page at www.DavidHairabedian.com by clicking the link, David in the News.

New CD/DVD Duplicator: Yet another former recipient of your gifts of love recently gave us a special donation. Through his generosity, we were able to purchase a first-quality CD/DVD Duplicator that enables us to duplicate up to 100 CD/DVDs in a single setting. We look forward to sharing key sermon messages with you. We pray these gifts will encourage you and strengthen your faith as we proceed through 2010.

Greatest Gifts: Our youth minister, Max Pecina, along with his wife Jessica, head up a yearly project to bless the children at an inner city school here in Kansas City. This ministry effort comes under our spiritual covering and blessing, but all monies are raised separately from HEART (though donations are accepted through this ministry as directed giving). A six dollar donation is asked for each child. "This includes a specific gift for each child with a bag lunch packed with fruit and candy. Each gift will be age and gender specific. This will also include all the wrapping and Christmas Cards for each gift. We keep the Christ in Christmas and we want to let every child know that they are special in God's eyes and that JESUS LOVES THEM." See more information and a video on our website.

Thanks to the prayers and generous support of donors like you, 2009 was a banner year at Heart of America Prison Ministries. It was a year of strengthening, restructuring, and relationship building. We were able to provide hundreds of Bibles to inmates across the world. We are very excited about how God has positioned us for 2010 and beyond. Please let us take a moment to share....

HEART now has a Bible presence in approximately 837 prisons in the United States and ten internationally. In 2009, we were able to deliver more than 600 Leather-Bound Bibles to the prisoners on the Bible waiting list. Through *The Friends of Heart Program*, we blessed 4,320 inmates with personalized Christmas cards. We also published several teaching booklets which are now available for prisoners

who are hungry for the Word of God. (See our hard copy titles on the back page of this report.)

We receive several wonderful testimonies each week from those receiving these various gifts of love from you, through HEART. Truly God is Changing Lives...One Bible at a Time...One Christmas Card at a Time...One Teaching Booklet at a time...One Prayer at a Time.

We are excited about our revitalized presence on the Worldwide Web. A former recipient of your gifts of love graciously reciprocated by rebuilding our website, www.HeartPrisonMinistries.org, on a *new enhanced platform* as his donation back to the ministry. This new website enables us to make ALL of our archived and new discipleship teachings available to prison Chaplains for free downloads and unlimited distribution to inmates around the world. We then created a "virtual library" where these books can be read online. This feature will fully launch in 2010. As an added convenience, we can now take online donations through our secure PayPal account.

In conjunction with our increased web visibility, we purchased a \$100 Flip Mino video camera to allow us to capture events to post

online. We have used this capability to bless other ministries' websites as well as improving our own. We are trying to reach a visual generation and we believe the ability to post video invitations, messages, and sermons will prove invaluable in spreading the Gospel.

God has arranged several ministry partnerships as a result of Heart's enhanced presence on the World Wide Web. A special ministry partnership is the Lin Family from Taiwan. They discovered one of our new online teachings through a Google search that landed them on HEART's homepage. A few weeks before this event, the Holy Spirit began to speak to the Lin family about

His heart for the prisoners and prison ministry. (See Matthew 25:37-40.) The Lin family has fallen in love with God's heart for the prisoners. In response, they have presented five of Heart's teaching booklets to their publisher in Taiwan. These books are now under consideration for translation and publication in Chinese for distribution to the civilian and inmate population in Asia. Through the Lin family, we also met Pastor Anton Cruz, a minister in India who cares for over ten thousand orphans who are trained as prayer warriors.

The Lord has also positioned us with several other worldwide pastors, evangelists, and prophets. Among these are Pastor Patrick Kucera, Pastor Vickie Barnes, Christian author Michael Matthews, Prophets Rob and Juanita Sanchez, Pastor Dan Bohler, and Pastors Lonnie and Lori Bouldin. We have hosted many of these men and women of God as they ministered at churches in the Greater Kansas City area. In addition, there is a house church which sprang up as a result of our published books. In 2009, we met in a donor's home every other week. In 2010, we will be meeting the opposite weeks in the sanctuary of a Methodist church in Independence, MO. We are touching lives both in and out of prison. (HEART supports the church in spirit and prayer and the church helps support HEART financially.)

God has also opened the doors for us to present HEART's vision to several congregations in 2010. These relationships developed in

2009 as HEART's Staff visited various churches in the Kansas City area. Some of these messages were recorded and are now available on our website for access by our visitors.

Founder ordained: We are proud to announce that David Hairabedian, our Founder and Chief Visionary Officer graduated from Zoe University and was ordained in May of 2009. Congratulations, Pastor David!

Fireworks Stand: HEART had more than 30 part-time volunteers (many from the house church) show up for this undertaking, Though it

was a challenging undertaking, we raised approximately \$6,500 to provide services to our brothers and sisters behind bars. The good news is we will receive approximately \$5,000 this year through our licensing renewal agreement with no labor in 2010. The seed sown in faith by many continues to bear fruit!

Missionary in the Philippines:

We now have a full-time missionary in the Philippines, Paul Woolford. He is also a former recipient of your gifts of love. Thanks to a very generous one-time directed donation, HEART was

able to enhance Paul's ability to reach the lost and hurting in a remote island area of the Philippines. He visits and ministers in several of the prisons within a 200 mile radius. He has been able to upgrade his equipment to more effectively minister God's love to the Filipinos. Check out his website at

www.OurFathersHouseChurch.org

New Heart Car: With a directed donation from a former recipient of this ministry's love, we were able to purchase a Ministry Vehicle, a 2005 PT Cruiser. This will give us added visibility in the community and help drive traffic to our website.
